

## March Thoreau Bicentennial News

Congratulations to eighth grade teacher Mrs. Donna Przybojewski, who was asked to display her illustrations from her Thoreau children's books at the First Parish Church in Concord, Massachusetts from July 12 to July 17, 2018. She will also speak about her journey as a Thoreau Bicentennial Ambassador at the church during the Thoreau Society Gathering. The First Parish Church is the church where Henry David Thoreau was baptized as well as had his burial service.

Students across grade levels continue their Thoreau studies utilizing the discussion coloring book *Born in the Nick of Time*.

Students will begin preparing for our closing Bicentennial program on May 11, 2018 at St. Benedict Catholic School as the official ending of Thoreau's birthday, which will be July 12, 2018. Students will have dramatic readings, read original poetry, sing songs, play the flute, as well have an art display of Thoreau projects from the year.
